

JODIE AIREY NOMINATED FOR LOCAL BUSINESS AWARD

Our own Jodie Airey has received a nomination and been shortlisted in the Enhanced Director of the Year category in the 2016 Venus Awards for the Southampton region.

The Venus Awards recognise, reward and celebrate the achievements of local business women and are often called the Working Women's Oscars!

Three finalists will be announced on 11th February with the Awards Ceremony taking place at the Ageas Bowl on 15th April.

Well done Jodie and good luck!
