

LITTLE MANOR

NEW WELFARE ASSISTANT

We are delighted to welcome our new Welfare Assistant, Nicola Kirby, to Little Manor!

Nicola joins us from Dunraven where she worked as a Carer for two years and she also has 10 years' care experience supporting her physically disabled husband.

After completing a two-week training and orientation course with Wessex Care Nicola is keen to get to know the residents at Little Manor. She will be helping with our activity programme and is particularly looking forward to further developing the sensory bedroom experience – already a big hit with Kimberly residents and being developed at Little Manor and across the homes.

She says, "I have always had an interest in doing activities and, while working at Dunraven, I helped out with the activities and really loved it."

Welcome Nicola!
